

Ghostbusters Upgrade Kit

THERE ARE FOUR OPTIONS!

Conservative 1

Transparent lane guides only: reduce chances of lateral ball loss.

Slimy 1

Green lane guides only: reduce chances of lateral ball loss.

Conservative 2

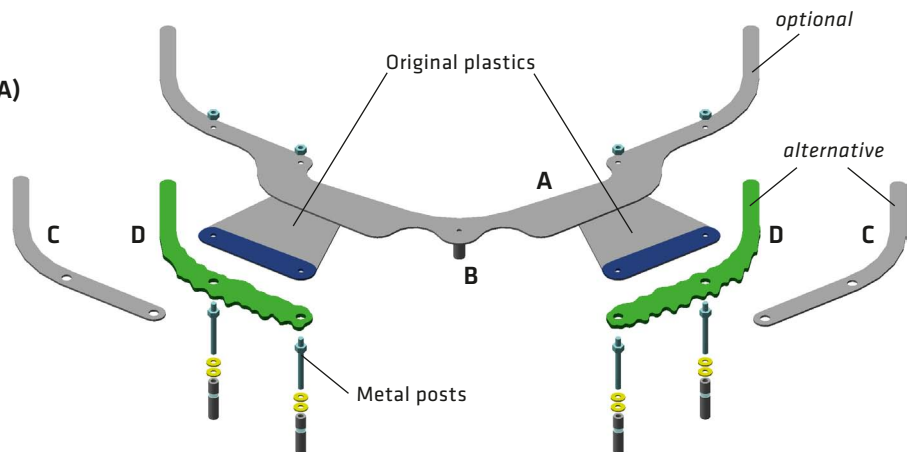

Large transparent drain-post plastic with flying-post: reduce chances of lateral and central ball loss.

Slimy 2

Large transparent drain-post plastic with flying-post plus green lane guides: reduce chances of lateral and central ball loss.

Purchased parts

- 1 x Large drain-post plastic, transparent (A)
- 1 x Flying mini-post, transparent (B)
- 2 x Lane guide, transparent (C)
- 2 x Slimy lane guide, green (D)
- 1 x Rubber for mini-post, black
- 1 x Super-band for mini-post, green
- 1 x screw for mini-post
- 2 x Super-bands for flippers, green
- 8 x Washer

INSTALLATION INSTRUCTIONS

- The Plastics are provided on both sides with protective film that must be removed before installation.
- Fingerprints on surfaces can be removed with mild surface cleaner and a microfiber cloth. To avoid stains equally, we recommend that you wear suitable gloves when assembling.

A Final Word ...
